

Timberland Regional Library
470 for Category 2 UPS Units & Batteries in 2018
Q&A and Updates to RFP

02/07/2018

Q: Do you want a rack mounted or just the tower version of the UPS unit?

A: TRL is interested in the tower version of the UPS unit.

2/14/2018

Q: If battery replacement is part of a free extended warranty on the UPS unit, does the quote need to include prices for batteries?

A: No, in that case, it is ok to bid on just the UPS unit, but please make sure that the extended warranty is free. Costs for itemized extended warranties are generally not eligible for E-rate funding.
